Palace Theatre, the City of Albany, and Mirth Films are pleased to announce the next edition of The Palace Sessions featuring **Thomas Nicholas – Tuesday, February 1<sup>st</sup> at 7:00 pm.**

Over the last ten years the **Thomas Nicholas Band** has played over 700 concerts around the world from huge festivals to solo acoustic shows in intimate clubs and private charity fundraisers. Musically, Thom draws on a solid crop of influences that have helped him learn the art of writing a pop song while keeping a foot in rock and roll. "We've released 6 albums, the most recent is the perfect cross over of my two careers and we were lucky enough to record it at Foo Fighter's Studio 606."

Nicholas is also well known for his movie career, including playing Henry Rowengartner in *Rookie of the Year*, Walt Disney in *Walt Before Mickey* and Kevin Myers in the *American Pie* film series. He most recently starred in the 2021 Lionsgate feature film *Adverse* starring Mickey Rourke, Lou Diamond Phillips, Penelope Ann Miller & Sean Astin.

**About the Palace Theatre:**

The Palace Theatre has been Albany's iconic downtown landmark for the past nine decades, bringing the biggest names in entertainment to the Capital Region. The history and programming of the Palace is a unique and often untold story with roots dating back to the period of the Great Depression. The Palace Theatre, built in 1931, originally presented vaudeville acts, feature films and became a civic auditorium before temporarily closing its doors in 1969. The theatre maintains its original beauty and design and is a historical landmark in the City of Albany. The Palace Performing Arts Center was established in 1984 and incorporated as a nonprofit organization in 1989, created to operate the Palace Theatre. The mission of the Palace is to bring world-class arts and entertainment to New York's Capital Region, greatly enhancing the area's cultural and economic development. Our mission is carried out through core programming and community initiatives that include performing arts entertainment, free arts education, family-friendly performances, free summer movies and a classic movie program series. The Palace has a significant economic footprint with over \$3.5 million in ticket sales and 180,000 patrons visiting the theatre annually.
